

AIR CARE

Prolink Radiant Air Care System

Radiant's small size, battery-free operating system, and continuous fragrance delivery make it truly revolutionary air care system. This trouble-free dispenser has no moving parts, and it is a noise free unit. It can be considered environmentally friendly as the fragrance refills contain Microtrans, a true odour neutralizer that breaks down and eliminates malodours. No V.O.C.'s. No propellants to deliver fragrance and the refill components are completely recyclable.
