ICE MELTER

EcoPro PRO 2000 Snow & Ice Melter

This environmentally preferred ice melter will not harm lawns, trees or shrubs. It is 100% soluble and environmentally safe as well as non-toxic and safe to handle. Formulated with CMA – an anti corrosion agent that reduces damage to vehicles, equipment and other metal surfaces. It is formulated with a patented process that prevents refreezing and is effective to -22°C. The non calcium chloride formulation will not leave an oily residue on floors or carpets. Blue coloured crystals ensure even application so there is no waste.

510-102000 50 lb bag X 50 per skid

510-102002 40 lb pail with scoop X 48 per skid
