MAINTENANCE

GlenMartin
LIMITED

Dustmops • Dusters

Moppy Hardwood Floor Cleaner

Ideal for dusting or damp mopping hardwood, ceramic, marble and vinyl tile floors, windows, walls and ceilings. Full swivel frame with pivot head to clean tight areas. Never leaves lint and is machine washable. Comes with metal handle.

433-400098 Complete (2 refills) Sold ea.
433-400099 Refill Sold ea.

Swiffer Sweeper

Sweeper system and disposable clothes with electrostatic action to capture dirt, dust and hair.

PG30942 Starter Kit each
PG31822 Refills 32 per package X 6 per case

Dry Dusting Cloths

This disposable dust control system attracts more dirt and dust by creating a small electrical charge that attracts the debris into the thick fibre pile. Reduces the risk of cross-contamination as sheets are disposed of after each use to minimize the handling of dirty/contaminated mops. The frame allows cleaning in hard-to reach areas.

433-751124 22" frame each
433-751128 Refills 200 per case

Prolink Dust Mop Treatment

An oil based, all-purpose dusting aid designed to pick up and capture, dust, lint and dirt. Will not transfer. Use on dust mops to clean floors and it can also be used on dust cloths and feather dusters to clean furniture, ceiling fans, molding, wood paneling and window blinds.

106-100200 397 gr tin X 12 per case

DUSTERS

Lambswool Dusters

Made from the finest Australian lambswool this duster actually picks up and holds the dust, ensuring the dust isn't flicked into the air to settle later.

439-200225 Short handle duster 28" 12 each per case
439-200235 Extendable duster 30" – 40" 12 each per case

Extended Polywool Duster

Non-allergenic, polywool duster attracts dirt by electrostatic action. Designed for dusting around pipes, on high shelves, the top of fan blades and other hard to reach areas.

439-200265 52" – 80" Extension handle each

Rainbow Magnetic Duster

Attract dust with electrostatic action. Ideal for all purpose dusting.

439-100155 Telescopic duster 52" each
439-100135 Short handle duster 27" each

Ostrich Feather Duster

Made from the finest ostrich feathers available. Ideal for delicate and fragile objects.

439-100125 each

Dusters • Floor Pads

Swiffer Dusters

Goes places spray polishes shouldn't, like electronics and plants, leaving nothing behind but a clean and residue free surface.

- PG40509** Starter kit – duster with 5 refills each
PG41767 Refills 10 per package X 6 per case

ProTeam ProDuster

It quickly and easily dusts over cluttered desks, blinds, computers, electronic equipment and even plants. The ProDuster is safe for any surface, contains no oils or waxes, and won't streak or leave any residue. Using ProDuster sleeves over your wool or feather type dusters prolongs the life of your dusters while providing more effective dusting

- 439-100179** 50 per package X 10 per case

Chix Masslinn Dust Cloths

Made with dust-catching fibres and mineral-oil treated to provide you with increased dust pickup and enhanced finish—without the lint or residue. Innovative design requires you to simply stretch cloths before use to activate the dust-catching pockets. 12.5" x 17" wipers.

- 270-900413** 40 per package X 10 per case

Microfibre Duster

Flexible thin foam frame allows effective cleaning in tight, hard to reach areas. Frame accepts a hand held handle or an extension handle. Microfibre refills provide durability and long product life.

- 439-601390** refill each
439-601391 complete each

FLOOR PADS

Carpet Bonnet Cleaning Pads

Medium profile pad is constructed of aggressive, yet absorbent, blended looped-end yarn for extra durability. Ideal for medium to thick carpet. Colour strips add additional scrubbing action.

442-900170	17"	6 per case			
442-900190	19"	6 per case			

Twister Pads

Twister is a new cleaning technology. Twister consists of pads prepared with billions of microscopic diamonds. The Twister system minimizes the need of aggressive chemicals since the system processes the dirt mechanically without wear to the floor. The result is glossy floors without adding wax or polish. The Twister system can be used on the most common floor surfaces, including terrazzo, marble, natural stone and polished concrete.

White Twister Pad

The first step for basic cleaning of hard surface floors. Removes small scratches, cleans the surface and gives a clean uniform appearance before polishing with yellow or green pads.

PAD HOLDERS

Universal Pad Holder

Gripper teeth on base accept all standard pads. Multi-directional rotation allows use in hard-to-reach areas. Universal socket accepts all other handles.

475-210127 Advantage (blue) each

475-210100 3M (red) each

Hand Held Pad Holder

Velcro grid system locks pads firmly in place.

475-210126 Advantage each

White Light Duty Pads

Delicate surface and light clean ups such as sinks, tiles and windows.

475-200125 3M 5 each per box

475-200127 GML 5 each per box

Blue Medium Duty Pads

Medium abrasive for scuffs and finishes requiring more than a light pad.

475-200100 3M 5 each per box

475-200105 GML 5 each per box

Brown Heavy Duty Pads

Easily removes old finish and wax build up.

475-200175 3M 5 each per box

475-200177 GML 5 each per box

Black Heavy Duty Pads

Aggressive for floors, baseboards and corners. Removes stubborn black marks and wax build-up.

475-200150 3M 5 each per box

475-541040 GML 5 each per box

Wall Washer Pad

Attaches to universal pad holder for easy clean up of walls and floors.

475-225124 each

SPONGES, SCOUR PADS, SS SCRUBBERS, SOAP PADS

Heavy Duty Green Scour Pads

A very aggressive 6" x 9" cleaning pad for removing baked on deposits or scuff marks on walls.

475-300110 3M #97 100 each per case

475-300285 GML 100 each per case

White Scour Pads

Light abrasive pad for cleaning fine surfaces such as porcelain, non-stick cookware, ceramic tiles, plastics, stoves and terrazzo floors.

475-300120 3M #98 20 each per box

Light Duty Scrub Sponges – White/Yellow

Utility cellulose sponge with light-duty scouring pad attached.

475-100110 3M #63 20 each per box

Medium Duty Scrub Sponges – Green/Yellow

Utility cellulose sponge with medium-duty scouring pad attached. Cellulose sponge absorbs water while the green abrasive pad helps cleaners work even better.

475-100120 3M # 74 20 each per box

475-541475 GML 20 each per box

Sponges • Scour Pads • Wet Mops

Synthetic Sponge with Scouring Pad

An excellent utility scrubbing sponge at a budget price.

475-112173 50 each per case

Cellulose Sponges

Biodegradable cellulose sponges will hold over 20 times their weight in liquid making them ideal for both pick up and transfer of liquid.

475-100250 6" x 4.5" x 1.75" 50 each per case

Vileda PUR Scrubber Sponge

Easily lifts grease and grime yet gentle on all hard surfaces, even Teflon. Instead of scratching the dirt away, it simply lifts it off. Colour coded to prevent cross contamination.

475-100330	Green	10 per package	475-100350	Yellow	10 per package
475-100340	Red	10 per package	475-100360	Blue	10 per package

Stainless Steel Scrubbers

Scrubbers are made of high-grade stainless steel with four-sided strands, giving four cleaning edges to handle the toughest jobs.

475-158850	35 g	12 each per package
475-155913	50 g	12 each per package

Steel Wool Hand Pads

Excellent for scrubbing baked on food. #0000 grade.

475-500210 16 pads per package X 12 per case

Soap Pads

The special combination of metal fibre and soap in these pads dissolves stubborn grease and lifts off sticky food particles, leaving a bright new shine.

475-155851 144 per case

Prolink Magic Sponge

This sponge will easily take away problem marks with a minimum of effort. No need for aggressive chemicals – just use water!

475-305100 12 each per package

WET MOPS

Cotton Mops

MOP HANDLES

Snap-N-Go Mop Handle

This reinforced high impact plastic handle accommodates narrow and wide band mops. Simple snap lever to add or remove mop heads.

- 481-100150** 60" fiberglass handle each
- 481-100159** 54" fiberglass handle each
- 481-100157** c/w Telescopic Handle each

Quick Bite Bamwood Mop Handle

This handle combines a classic high impact plastic design with a Bamwood handle that is made from 65% bamboo and 35% post consumer hardwood. It's as strong as a 100% hardwood handle but is more sustainable since bamboo grows exponentially faster than regular hardwood.

- 481-400169** 60" handle each

Jaw Breaker

Lock jaw allows for fast and easy release of mop by simply unscrewing the collar, no need to touch the soiled mop.

- 481-100130** 60" Fiberglass Handle each

MOPPING EQUIPMENT

Prolink Bucket and Wringer

Features a 26-40 quart bucket with 3" non-marking casters. Manufactured in a durable stain resistant one piece construction that is easy to clean and sanitize. Comes with a down press wringer that forces water down into the bucket eliminating splashing. Grey.

- 418-100145** Combo Set each
- 418-200275** Downpress Wringer only each

Prolink Bucket and Wringer

Features a 26-32 quart bucket with 3" non-marking casters. Manufactured in a durable stain resistant one piece construction that is easy to clean and sanitize. Comes with a down press wringer that forces water down into the bucket eliminating splashing. Grey.

- 418-100135** Combo Set each

Prolink Bucket and Sidepress Wringer

Features a 26-32 quart bucket with 3" non-marking casters. Manufactured in a durable stain resistant one piece construction that is easy to clean and sanitize. Comes with a sidepress wringer. Yellow.

- 418-100155** Combo Set each
- 418-100185** Sidepress Wringer only each

Continental 35 qt. Splash Guard Combo Pack

35 qt bucket with 3" non-marking casters and a sidepress wringer. Yellow.

- 418-100127** Combo set each

WaveBreak Mopping System

This system improves productivity and reduces labour costs. WaveBrake technology reduces splashing for a safer environment, cleaner floors, and more efficient mopping. Comes with downpress wringer. Yellow.

- 418-500100** 7577 Combo each
- 418-500115** 9C74 Dirty Water Bucket each

THE SWEP SYSTEM

This system will provide maximum cleaning performance, prevent cross contamination and hospital infection while keeping costs down. Daily cleaning is simplified with the use of pre-prepared microfibre pads stored in convenient boxes, and easy to use flatmop handles. Swep is the most complete and advance microfibre cleaning system of its kind on the market and can be used for not only cleaning stairs and floors, but also for walls, blackboards, ceilings and hard to reach places. Colour coding is available.

Reduced Cross Contamination/improved hygiene - After the cleaner finishes in one room they simply change the mop and place another pre-prepared mop on the frame for use in the next room. The soiled mop is then placed into a bag for laundering.

Improved ergonomics – never wring a mop again - Pre-prepared mops replace heavy buckets and wringers and the use of low-weight tools and materials reduces muscular stresses on the cleaners.

Chemical Savings - Using the pre-prepared mops and the mechanical action of microfibre drastically reduces the amount of chemicals required.

1000 wash guarantee - All SWEP mops are guaranteed to last 1000 washes if correct procedures are followed – that's nearly three years lifespan if laundered daily.

Damp mopping – floors are back in use quicker - The controlled dosing system leaves each mop damp enough to remove dirt without leaving the floor wet, which results in the floors getting back to use quicker.

- SW7581** Swep Classic Mop Frame 50cm each
- SW7586-50** Swep Classic Microtech mop refill each
- SW7594-50** Swep Classic Microcombi mop refill each
- SW8355-50** Swep Classic MicroPlus mop refill each
- SW8357** Telescopic Handle with colour rings each

SWEP DUO MICROFIBRE CLEANING SYSTEM

This new system gives you the same great cleaning performance of the original Swep on both sides of the mop. That means double the area cleaned by each mop and half as many mop swaps. The new Swep Duo means savings – reduced initial investments, chemical use and labour.

- SW111390** Swep Duo mop frame each
- SW121645** Swep Duo Microtech mop refill each
- SW8357** Telescopic Handle with colour rings each

Microfibre Systems

ULTRASPEED FLOOR MOPPING SYSTEM

This system is easy to use and flexible enough to clean difficult areas. UltraSpeed offers maximum cleaning performance and speed of use, with significantly reduced mopping times. The system is based around an innovative wringer, a breakaway mop frame and a high performance microfibre mop pad.

Using the UltraSpeed system gives improved performance over traditional wet mops and 29% faster removal of stubborn dirt and stains. Floors dry quicker and are back in service sooner. Machine washable microfibre pads are good for 100 + washes and are 50% lighter to use, reducing strain on users' backs and shoulders. This flat mop allows for controlled cleaning without splashing other surfaces and it easily cleans baseboards and walls. Available in many configurations with a changeable colour coding system the UltraSpeed system will make all cleaning jobs easier.

- US114985-2** 25L Starter Kit (c/w bucket, wringer, breakaway frame, microfibre mop & telescopic handle) each
- US116968** Ultraspeed Combo with extension wheels each
- US113970** UltraSpeed 40cm Breakaway frame each
- SW8357** Telescopic handle with colour rings each
- US114007** Micro Plus Mop each
- US114008** Micro Safe Mop each
- US114010** Trio Mop each

SPRAY EXPRESS

This system is ideal for areas where speed, ease of use and lack of storage space are issues. It is a microfibre floor mopping tool with a built in cleaning solution tank. Forget the bucket – SprayExpress is always ready to use. The handle features a .6L tank that allows for cleaning up to 200 m². The spray trigger is easy to use and quickly applies solution to the floor to easily pick up small spills or to clean patient rooms.

- CL121783** SprayExpress complete with 16" Microspeed refill each
- CL4305** SprayExpress bottle only – grey top each
- CL4302-16** Express Trio loop mop pad each
- CL4302-16** Express Microspeed Plus mop pads each
Washable approximately 700 times.

CARTS
